X-TERRA RESOURCES COMPLETES 50% OF AIRBORNE GEOPHYSICAL SURVEY ON THE VERONNEAU PROPERTY

Rouyn-Noranda, Québec, February 7, 2017 – X-Terra Resources Inc. (TSXV: XTT, FRANKFURT: XTR) is pleased to announce that it has completed 50 percent of its previously-announced airborne geophysical survey over the Veronneau property ahead of schedule.

Michael Ferreira, President and Chief Executive Officer of X-Terra Resources states “The SkyTEM survey was designed to identify electromagnetic conductors with or without magnetic association that could represent new high grade gold deposits in the area. The speed and quality of the survey to date has exceeded our expectations.”

Completion of the airborne geophysical survey is expected by February 11, 2017 with final results and interpretations expected on or about February 28, 2017. Results will then be paired with the regional geology to design an effective exploration program planned for the summer of 2017.

Forward-Looking Statements

This news release contains statements that may constitute “forward-looking information” within the meaning of applicable Canadian securities legislation. Forward-looking information may include, among others, statements regarding the future plans, costs, objectives or performance of X-Terra Resources, or the assumptions underlying any of the foregoing. In this news release, words such as “may”, “would”, “could”, “will”, “likely”, “believe”, “expect”, “anticipate”, “intend”, “plan”, “estimate” and similar words and the negative form thereof are used to identify forward-looking statements. Forward-looking statements should not be read as guarantees of future performance or results, and will not necessarily be accurate indications of whether, or the times at or by which, such future performance will be achieved. No assurance can be given that any events anticipated by the forward-looking information will transpire or occur, including the development of the Property, or if any of them do so, what benefits X-Terra Resources will derive. Forward-looking information is based on information available at the time and/or management's good-faith belief with respect to future events and are subject to known or unknown risks, uncertainties, assumptions and other unpredictable factors, many of which are beyond X-Terra Resources' control. These risks, uncertainties and assumptions include, but are not limited to, those described under “Financial Instruments” and “Risk and Uncertainties in X-Terra Resources' Annual Report for the fiscal year ended December 31, 2015, a copy of which is available on SEDAR at www.sedar.com, and could cause actual events or results to differ materially from those projected in any forward-looking statements. X-Terra Resources does not intend, nor does X-Terra Resources undertake any obligation, to update or revise any forward-looking information contained in this news release to reflect subsequent information, events or circumstances or otherwise, except if required by applicable laws.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of the release.
