

## **News Release**

### **X-TERRA RESOURCES PROVIDES DRILL CORE PRESENTATION ON ITS WEBSITE FOR GROG AND NORTHWEST**

Rouyn-Noranda, Québec, February 10, 2020 – X-Terra Resources Inc. (TSXV: XTT) (FRANKFURT: XTR) announces it has uploaded a drill core presentation highlighting some of the holes drilled to date at the Grog and Northwest Properties located in Restigouche county, New Brunswick. A newer version will be uploaded for shareholders to review once all holes have been completed.

Michael Ferreira, President and Chief Executive Officer states, “by making this drill core presentation available to all shareholders, it will provide insight as to what is being observed in the filed and add a layer of transparency. It also highlights some of the geological contexts that have never been seen before in this area of the province”.

To view the presentation, please use the link below: <https://www.xterraresources.com/pdfs/Drill-Core-Presentation.pdf>

#### **About X-Terra Resources Inc.**

X-Terra Resources is a resource company focused on acquiring and exploring precious metals and energy properties in Canada.

#### **Forward-Looking Statements**

*This news release contains statements that may constitute “forward-looking information” within the meaning of applicable Canadian securities legislation. Forward-looking information may include, among others, statements regarding the future plans, costs, objectives or performance of X-Terra Resources, or the assumptions underlying any of the foregoing. In this news release, words such as “may”, “would”, “could”, “will”, “likely”, “believe”, “expect”, “anticipate”, “intend”, “plan”, “estimate” and similar words and the negative form thereof are used to identify forward-looking statements. Forward-looking statements should not be read as guarantees of future performance or results, and will not necessarily be accurate indications of whether, or the times at or by which, such future performance will be achieved. No assurance can be given that any events anticipated by the forward-looking information will transpire or occur, including the exploration programs and development (including any drilling programs) of the Grog and Northwest Properties, or if it does so, what benefits X-Terra Resources will derive from the Grog and Northwest Properties. Forward-looking information is based on information available at the time and/or management’s good-faith belief with respect to future events and are subject to known or unknown risks, uncertainties, assumptions and other unpredictable factors, many of which are beyond X-Terra Resources’ control. These risks, uncertainties and assumptions include, but are not limited to, those described under “Financial Instruments” and “Risk and Uncertainties in X-Terra Resources’ Annual Report for the fiscal year ended December 31, 2018, a copy of which is available on SEDAR at [www.sedar.com](http://www.sedar.com), and could cause actual events or results to differ materially from those projected in any forward-looking statements. X-Terra Resources does not intend, nor does X-Terra Resources undertake any obligation, to update or revise any forward-looking information contained in this news release to reflect subsequent information, events or circumstances or otherwise, except if required by applicable laws.*

*Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of the release.*
